

Announcement

Dear IT Services Client- We are pleased to announce that After Hours Support Services LLC has acquired Coastline Micro's IT Services Division.

What does this mean to you?

- Broader and deeper range of proactive Managed IT Services to meet your business needs
- Cloud based Solutions
- Extended IT Support hours

Operating out of Coastline Micro, Inc's existing offices at 1811 Kaiser Avenue, Irvine, CA 92618, After Hours Support Services LLC provides IT Support, Managed IT Services and Disaster Recovery Solutions to small-to-medium business and non-profit organizations throughout Southern California.

Rest assured, Coastline Micro, Inc and After Hours Support Services LLC will work together to ensure this transition will be smooth, with no disruption to your IT support and/or Coastline Micro hardware warranty support. Additionally, Coastline Micro, Inc and After Hours Support Services LLC will continue to partner on integration projects to make sure your hardware requirements are met.

If you have any question regarding this announcement please feel free to contact:
